Placing an Online Order for Curbside Delivery

- Clicking on an item will bring up a webpage that features the specific item
- Dropping down the option box will provide options for purchasing this item
- Select Quantity, Add to Cart

Placing an Online Order for Curbside Delivery

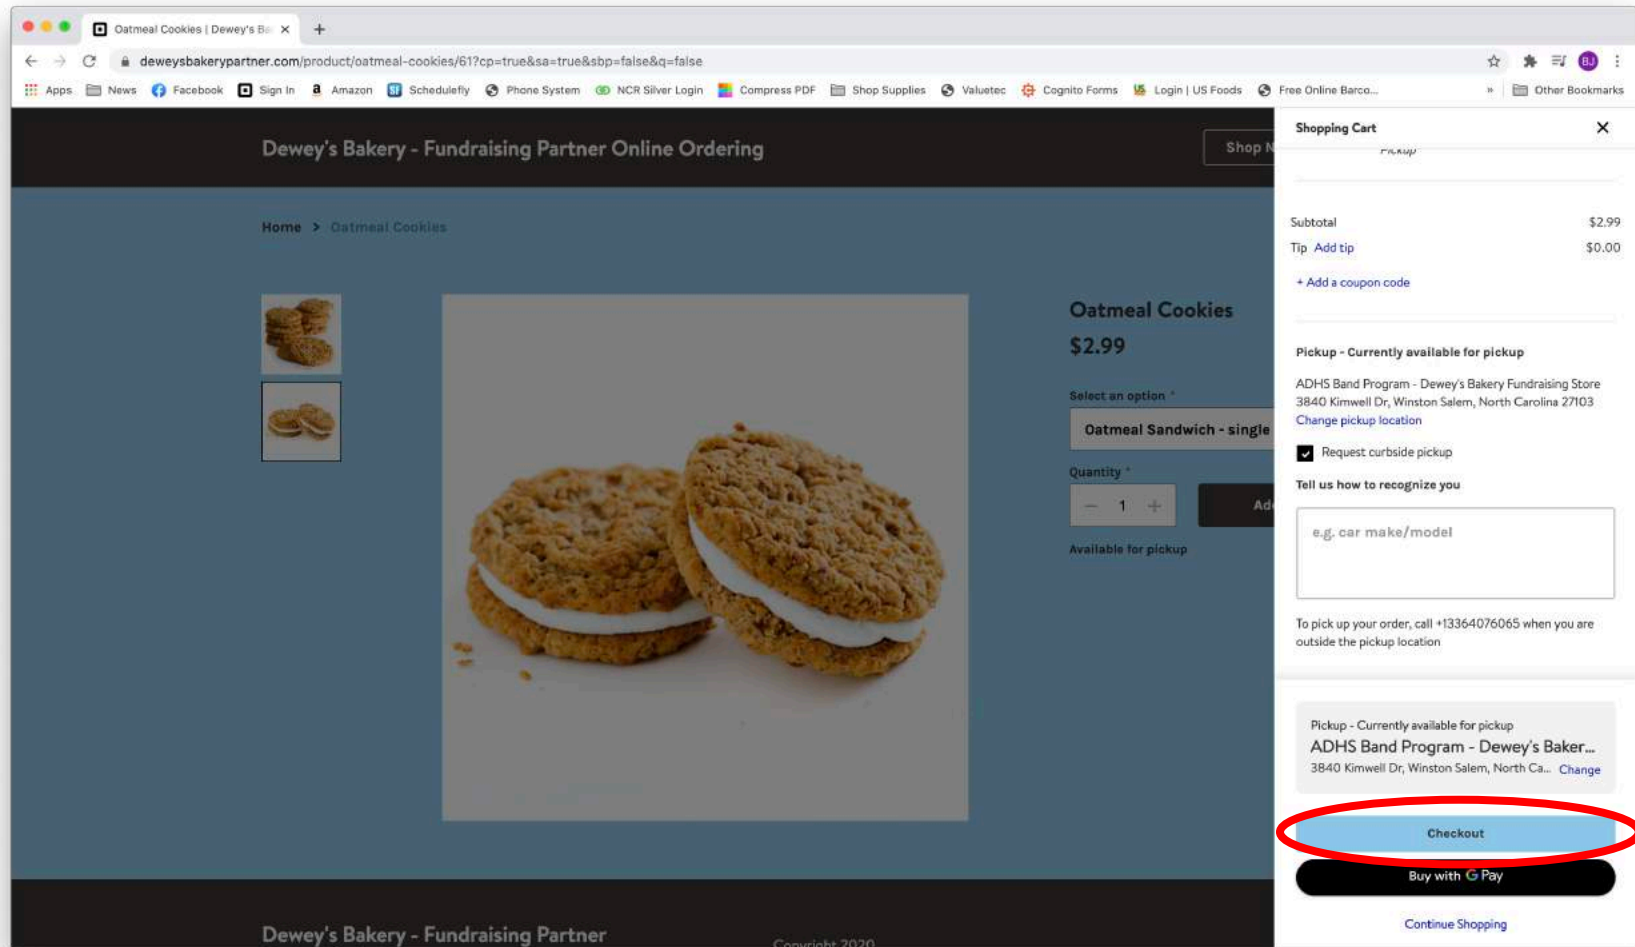

- Once items have been added to cart the following screen is shown
- Options to Change Pickup Location
- Options to Request Curbside Pickup

Placing an Online Order for Curbside Delivery

- Selecting "Change Pickup Location" will open a menu of all participating partners that are offering pick-up or curbside service
- It is critical that your hours of operation, phone number and location address is 100% accurate, otherwise customers may be misdirected in terms of pick up options

Placing an Online Order for Curbside Delivery

- Selecting “Request Curbside Pickup” results in the following field for the customer to enter a description of how they can be recognized when they arrive for curbside service (e.g., make/model of vehicle)
- Customer is also given the phone number of your location so that they can call when they arrive for pick-up
- Once pickup location and curbside options are chosen, customer checks out
